

# Updated Parts Claim Form

Parts previously ordered and paid for, then used to update sheaves according to Recertification Instructions document #WTI-20, can be fully reimbursed. Use this form to list the new parts used in the update and the amounts paid for the parts. Use only one block per sheave. Reimbursement will only be made after this completed form and the old parts are returned to WTI.

Return Parts and form to: Wireline Technologies Inc.
